

TMC training course: **Expectant mothers**

It is my pleasure to invite you to a 3 days training course to be conducted by **Chris Bunkell**, whom I met at a conference in Rothenburg in 2015.

Chris Bunkell is a practitioner from Great Britain who practices Oriental Medecine in Sweden. His broad knowledge on Oriental Medecine over the last 30 years led him to specialise on the **Daoist Alchemical Medecine**.

The training course will cover 4 themes : **conception, pregnancy, Perinatal care** and **Post natal care for both mother and child**. In addition to the theoretical approach of the above subjects, practical tools will be presented based on psychological principles in understanding and analysing pathological aspects which can affect the first 10 months of conception, starting from formation of the embryo to childbirth.

This training course **will be conducted in English**.

Dates: **7th to 9th of October 2016**

Friday 7th → 10h - 17h30

Saturday 8th → 09h - 17h30

Sunday 9th → 09h - 13h00

For a total of **18 hours**.

Venue: « **Au Centre de Soi** » Natural medecine clinic
Allée du Rionzi 1, 1028 Préverenges, Switzerland

Price: **CHF 510.-** (registration **before June 30th 2016**)
CHF 600.- (registration **from July 1st 2016**)
